## **2024 JUDGE: KATHERINE BARNES**

Growing up in rural Missouri, Katherine Barnes has pursued the life of an artist. As a designer and educator, Katherine investigates the longing to grasp the transient aspects of memories, dreams, spirituality, and self-assessment as they manifest within spatial contexts. Her creative process involves the investigation of the deconstruction and recreation of forms and spaces. She also holds a deep appreciation for a design's impact on visual communication and branding.

Katherine earned her BFA in Painting from Missouri State and her MFA from the University of South Florida, and years later, pursued a BS in Graphic Design. She taught classes at the University of South Florida, the University of Tampa, and Columbia College, including Design, Drawing, Painting, Concepts to Art Appreciation, and beginning Art History courses. Professionally, she also provides web design services. As an accomplished artist, Katherine often shows her work both locally and nationally.
